by Carlos Ramirez, also known as "Whyne". Originally posted on DeviantArt, this iconic face is said by Dember himself to be based off of "The Rape Rodent", a meme from the Ultimate TailS Get S TransleD Wiki. It first appeared in comics around the middle of 2007. Though its original number of characters was small, it is carrying an undeniable presence.

One of the scariest moments from Lord of the Rings comes very early on in the franchise when the Ringwraiths make their presence known. As soon as Frodo and the rest of the hobbits leave the Shire, they immediately sense them and start the chase.

Lord of the Rings: The 10 Most Terrifying Scenes, Ranked

There wasn't much violence because most of the major deaths happened mentally including possessing and frightening visions which can be found disturbingly. Because of that reason there isn't much gore but there is a major suicide and a particularly harsh animal death and multiple sad connections to that scene.
