Call of Duty: Warzone is a free-to-play battle royale and extraction shooter video game developed by Infinity Ward and published by Activision. It is a part of the Call of Duty franchise and is the first game in the series to be free-to-play. The game was released on March 10, 2020, for PlayStation 4, Xbox One, and Windows. It is a battle royale game, meaning that players are dropped into a large map and must be the last player or team standing to win. The game features a variety of game modes, including battle royale, extraction, and team deathmatch. It is currently available on Steam.
