Transfer your data over your Wi-Fi network

1. Turn on both consoles and connect them to the same network using Wi-Fi or a local area network (LAN) cable.

2. Go to Settings > System > System Software > Data Transfer on PS5. On PS4, select items > Start Transfer.

3. Go to Saved Data and Game/App Settings > Save Data (PS4) > Cloud Storage > Download.

Or copy files from the PS4 to a USB drive and insert it into the PS5. Manage the transfer via settings.
