Some are movies are just spooky. Gentle thrills can

let kids explore fears in a safe environment. Others movies can be very scary a

nd even violent. Scary movies that contain violence or adult content

can have harmful effects on young viewers' behavior and mental health.

Ultimately, you know your child best. If they ask you to watch or

play something that might be scary, consider each child on an individual level.

It might be appropriate for them to engage. It could even be best for you to wat

ch/play whatever it is together to ensure they don't become overwhelmed.
