As we want to provide almost all Papa's games, it is time to add the other Papa's popular game Papa's Cupcakeria. I think

the most of you have played it and sure that you love this game.

Papa's Cupcakeria is older than Papa's Pastaria, so I was found of the game. To tell the truth, sometimes I feel that I prefer playing

Cupcakeria than Pastaria. But both of them is so great that people from all

over the world love and cannot stop play them.

Instead of being forced to run the new business because Papa is a lazy

jerk, this time you're working off a debt. As if making cupcakes to order

fast food style weren't inherently hilarious and difficult enough, in addition

to cranky customers, batters, frosting and more, you've also got

the changing seasons to contend with and the holidays they bring!

Papa decided to open a new type of restaurant, where the residents of the city can eat delicious cakes, chocolates and sweet fruits. Also the

restaurant offers different types of quality coffee and tea. As we know, all Papa's

restaurants have a great service and it is law, that every customer should be content with food.

You work at the bar and you should take orders, make orders with your food and bring it to the customer.

This is a random wheel spinner that can decide a choice for you.

The choices you inserted will be displayed in this wheel. You can either insert the choices by adding individually or adding as list. After you spin the wheel, the Picker Wheel decides a random result.
