Each Minesweeper game starts out with a grid of unmarked squares. After clicking one of these squares, some of the squares will disappear, some will remain blank, and some will have numbers on them. It's your job to use the numbers to figure out which of the blank squares have mines and which are safe to click.

What hasn't changed is that the Giro is always hard in the mountains (ãsome say harder than the Tourã), but it's the rest of the Giro that leaves most GC riders spent after an intense, full-on effort in May. To win the Giro requires a full mental and physical effort, on par with what it takes to win the Tour.ã
