<p>About Free Escape Games</p>

<p>Escape games, also known as escape room games, are a category of puzzle games that challenge players &#128477; to use elements of the game environment to escape a confined environment. The concept was first popularized in Japan, where &#128477; the first escape game, titled MOTAS (Mystery Of Time And Space), was released in the early 21st century. Designed by &#128477; Toshimitsu Takagi in 2004, it sparked the global trend of escape games enjoyed by players of all ages today.</p>

<p>This genre &#128477; of games brings the thrill and excitement of the real-life escape room experience to the digital world. Players can immerse &#128477; themselves in various narratives, such as escaping from a spooky haunted house, a deserted island, a high-security prison, or even &#128477; a mundane office.</p>

<p>Escape games also echo elements of pop culture. Can you imagine yourself in the shoes of Harry Houdini, &#128477; the iconic escape artist? Or perhaps translate the adrenaline-pumping escape scenes from popular movie franchises such as Prison Break or &#128477; The Shawshank Redemption?</p>
