But don't be lulled by the star power and satire:

The violence here is brutal, intense, and gory. Though the thrilling pace, high school drama, and steady jolts will likely keep young audiences watching,

this movie is best for older teens and adults.

There are no inappropriate scenes however the movie can be disturbing to some people because they talk about suicide, ghosts, etc.

If your kids are 11+ and are mature for their age i think this horror movie is a hit and you should watch it!
