Moving on to his skills, Garnacho excels in several areas. His shooting ability is impressive, with a rating of 67, and his acceleration and sprint speed are both rated at 86 and 83 respectively. This makes him a fast and agile player who can quickly move up the field and create scoring opportunities for his team.

In terms of playing style, Garnacho is best utilized as a left midfielder in a 4-3-3 or 4-2-3-1 formation. This allows him to use his speed and agility to run down the left flank and deliver crosses into the box. Alternatively, he could be used as a second striker in a 3-5-2 formation, where his speed and finishing ability can be leveraged to create scoring opportunities.

It's worth noting that Garnacho is still a young player, and his skills will continue to develop as he gains experience and training. Investing time and resources into his development could pay off, making him a valuable member of any FIFA 22 squad.

In summary, Alejandro Garnacho is a promising young player with a lot of potential in FIFA 22. With his speed, agility, and shooting ability, he can be a solid addition to any team. While he does have some areas for improvement, such as crossing and heading, his overall skills and potential make him an attractive choice for players.

Feel free to ask me any questions you might still have about Garnacho's skills and potential in FIFA 22!
