The screen effects really made the stor y come to life. And it wasn t 💵 boring where you just want to skip it t hrough and move on, you really want to read it and see 💵 what was happe ning! But there was only one problem, which caused me to delete the app. When yo u first open 💵 the app, they ask for your age, one of the options is 18 and under. So I click that and 💵 I start my first story. I really like d it! The story was well played out and I laughed a little 💵 too. But t he only problem was that the F word was put in there at least once in each sto ry. 💵 I think that is extremely disappointing that they would do that. If you click 18 and under, I expect the 💵 creators of the app to elimin ate all the F words and maybe more swears, I say this because 18 and 💵 under does include 10 year old, and younger as well. I do not think it is appr opriate to add those 💵 types of swears into the younger category. It a bad influence on children and really dangerous when you expose them 💵 to that kind of language. So I think that they need to fix that immediately. It
