The simple answer is no, as you probabl

y expected. A very few games (like Half Life Alyx) have been modded

to allow play without a headset but they are clunky, rare and still require a c

apable PC, which it doesn't sound like you have. If you desperately need VRC

hat in your life, you'll need a headset.

Some VR games allow players to play without a VR

headset, for instance, Star Trek Bridge Crew or Rec Room but most other VR game

s will not allow this, for instance, Job Simulator or Beat Saber because they wo

uld basically have to make a 2nd game because of the control integration (keyboa) Tj T* BT
