Vex 4 is a popular action platformer game that is part of the Vex game series. In this game, players control a stick figure character who must navigate through various levels filled with obstacles and enemies. The goal of the game is to reach the end of each level while avoiding obstacles, collecting coins, and overcoming enemies. The game features challenging physics-based gameplay and requires quick reflexes.

Also available in a black-and-white version. Instead of opting for a simple digital bleaching, Bong Joon Ho worked with a colorist and cinematographer to make sure each scene retained its texture.

How Scary Is Parasite? Parasite is not a horror movie, so it's not scary in the sense that there are supernatural presences, a bunch of jump scares, or some overriding threat that everyone is trying to run away from (at least not in a literal sense).

That said, things do turn creepy around midway through the movie.
