A rollover is a renewal of a deposit. Instead of liquidating a deposit on maturity, you can roll it over into a new deposit. The outstanding principal of the old deposit is rolled over with or without the interest outstanding on it.

6. Rolling Over Deposit

docs.oracle : html : DEPO6\_Rollovr

It occurs when a car's tire hits something such as a curb or ditch that shifts the vehicle's weight to one side, causing it to roll before it can regain its balance.

Speeding: If you speed around a curve or take a turn too fast, the tires can lose their grip on the road, leading to a vehicle rollover.
