👍 Billing process. The billing process is a set of st
eps that a business follows to create and send invoices to its customers for the
products or services provided. It typically involves gathering cust
omer and product/service information, generating an invoice, sending it to the c
ustomer, and tracking payment
Billing: What is it, Types, Process, How it Work,
Format & Software - Happay : blog : billing

Once a parent is added to a st
udent's account, they will automatically be added as a payer on the student
's billing profile. They will have access to view billing inform
ation, add payment methods, and submit online payments.
