In this game, players control a stick figure character who must navigate through various levels filled with obstacles and enemies. The goal of the game is to reach the end of each level while avoiding obstacles, collecting coins, and overcoming enemies. The game features challenging physics-based gameplay and requires quick reflexes and strategic thinking. Vex 4 features over 50 levels that increase in difficulty as the player progresses through the game. The levels are designed with a variety of obstacles, including moving platforms, spikes, and dangerous liquids. The stick figure character has a number of moves, such as running, jumping, sliding, and wall-jumping, that players must use to successfully navigate the levels. In addition to the platforming elements, the game also includes puzzle-solving elements, where players must figure out how to reach the end of each level. The game has eye-catching graphics and smooth animations, making it an enjoyable experience for players. The controls are intuitive and easy
