A revista "Brasileiro OZZO" Recently

wrote an article about the biggest derby in Minas Gerais, the "Clássico

Mineiro", disputed between Atlético Mineiro and

Cruzeiro. The rivalry has its origins in the 1920s, when both teams were founded,

and is considered the second-most popular derby in Brazil, behind

Corinthians x Palmeiras.

The main disputes between these two teams began years after

Cruzeiro, originally named Sociedade Esportiva Palestra Itália, was founded

in 1921. However, it was in the 1940s that the rivalry strengthened

and became the largest derby in Minas Gerais, rivaling any other football

competition in the state during the 1960s.

At the time being, Atlético competes in several sports

modalities; however, it has an excellent historical record in football, providing

the most international-class players of any football club from Minas

Gerais. In contrast, Cruzeiro, which holds the largest number of national

football titles, is considered the second most popular football club in

Minas.

It's interesting to mention that even though both teams

hold a historic rivalry in football, a study reveals that each team has

unique characteristics. Atlético fans are predominantly males (76%)

from high-income neighborhoods (41%.) While Cruzeiro has a contrasting

audience: with more than 50% of fans being female and having a prevalence

of income ranging from middle (32%) to high levels (28%).
