[Battle pass - Wikipedia](#)

In the video game industry, a battle pass or rewards track is a type of monetization approach that provides additional content for a game usually through a tiered system, rewarding the player with in-game items for playing the game and completing specific challenges.

After claiming all items in a Sector, adjacent Sectors unlock making more items available. The base Battle Pass is free to all players and includes 20 free items. Upgrade your Battle Pass for 1,100 COD Points to receive access to all 100+ items.
