Hide and Smash is an exciting upgrade of the classic hide and seek game! In the game, you will be assigned to either the blue hide team or the red smash team at random. If you are a hider, your mission is to move quietly and swiftly, blend in with your surroundings by pretending to be a normal object, and collect all the keys before your opponents discover and smash you. If you're a smasher, your goal is to find and smash the keys.

Se todos os jogadores tiverem o mesmo naipe, o jogo termina empatado. Se um jogador tiver o naipe diferente do outro, o jogo termina com a vitória do jogador com o naipe diferente.
