About game #171;Age Of War#187;

Well, to be honest, the name of the newest Age of War game, whose main objectives #128170; are to defend your own kingdom and vanquish the opposition, is very lame. Let#39;s attempt to explain our reasoning. The #128170; answer is straightforward: after beginning the battle, we got so engrossed in it that we spent an hour or so #128170; working to solve the puzzle. What drew us in so strongly that it was challenging to leave. The first is #128170; enjoyable since it introduces you to amusing characters who are struggling to survive. The second is that we gradually moved #128170; into the era of knights after the battles of primitive people with the aid of everyday weapons like sticks and #128170; riders on dinosaurs, then there was the era of musketeers, the era of common warriors with machine guns, the era #128170; of tanks, and the final era - space warriors!

You have a set amount of money at your disposal, which you #128170; can employ to build a sizable or merely numerical army. Additionally, there will be three different sorts of soldiers in #128170; every era save the last two, and four to five in the latter two. Tanks and super warriors will be #128170; present in the latter.
