Watching horrific {img} can trigger unw anted thoughts and feelings and increased levels of anxiety or panic

, and even increase our sensitivity to startle-eliciting stimuli, making those of us who are anxious more likely to respond negatively and misinterpret the sen sations as real threats.

Watching a horror movie every day could potentially desensitize you to violence and fear, and it may also affect your sleep patterns and overall mood.

It's always a good idea to find a balance in your entertainment choices and to engage in activities that bring you joy and relaxation.
