Go is a strategic board game for two players. It is known as Weiqi in Chinese, Igo in Japanese and Baduk in Korea. A frequent question among Go players is: "What is the best strategy for a beginner?" The answer is: "It's very simple, but it depends on the player's level and the board size. The most common board size is 19x19, but it can also be 13x13 or 9x9. The game is played on a board with black and white stones. The goal is to capture the opponent's stones and surround your own. The game is often referred to as the 'game of the millennium'.

The game is played on a board with black and white stones. The goal is to capture the opponent's stones and surround your own. The game is often referred to as the 'game of the millennium'. The game is played on a board with black and white stones. The goal is to capture the opponent's stones and surround your own. The game is often referred to as the 'game of the millennium'.

In general, a Go game can last from 15 to 30 minutes and can be played by people of all ages. It is important to choose a board size that is appropriate for your level. The game is often referred to as the 'game of the millennium'.
