<p>Trust us when we say that it is not every day that we get to bring you
new and 4 , £ interesting first person shooter games online, especially games tha
t are like this one that you are going to play, a 4 , £ game that we have found t
o be quite unique, and one that we are positive you are going to love 4 , £ playi
ng plenty, because it was our own amazing time with it that made us convinced th
at we had to share 4 , £ it with everyone. From this following part of the articl
e you learn everything you need to know about the game, 4 , £ so why not read to
the end before you start? You are going to move around using the w, a, 4 , £ s, d
keys, while with the mouse you look around as well as shoot. In this game, only
when you 4 , £ are moving the time is flowing, so when you stop, it also stops.
Use this to your advantage in order 4 , £ to avoid enemy shots, and if you do it
right, you then get to have a step ahead of them 4 , £ and shoot them down faster
and take them out, advancing through the stage. Get through one stage after the
other, 4 , £ until you completely win the game. Good luck, and if you are up for
more fun, sticking around here and 4 , £ having even more fun with other great g
ames that are coming is certainly what you have to do!</p>
<p></p>
<p>How to play?</p>
<p></p>
<p>Use 4 , £ the mouse and the w, a, s, d keys.</p>
