<p>About Free Escape Games</p>

<p>Escape games, also known as escape room games, are a category of puzzle games that challenge players 🤶 to use elements of the game environment to escape a confined environment. The concept was first popularized in Japan, where 🤶 the first escape game, titled MOTAS (Mystery Of Time And Space), was released in the early 21st century. Designed by 🤶 Toshimitsu Takagi in 2004, it sparked the global trend of escape games enjoyed by players of all ages today.</p>

<p>This genre 🤶 of games brings the thrill and excitement of the real-life escape room experience to the digital world. Players can immerse 🤶 themselves in various narratives, such as escaping from a spooky haunted house, a deserted island, a high-security prison, or even 🤶 a mundane office.</p>

<p>Escape games also echo elements of pop culture. Can you imagine yourself in the shoes of Harry Houdini, 🤶 the iconic escape artist? Or perhaps translate the adrenaline-pumping escape scenes from popular movie franchises such as Prison Break or 🤶 The Shawshank Redemption?</p>
