<p>The game is similar to candy crush, except that instead of candy, we ha ve Harry Potter characters. The game is 🤑 structured on levels, which h ave an increased level of difficulty as they are passed successfully. At each le vel, you will 🤑 have a limited time to solve it. You will have to match at least 3 characters in the same row 🤑 to earn points. Try to solve t he level as fast as possible so that in the end you make sure 🤑 that yo u manage to win it.</p>

<p>Here you will also meet boosters or special powers that you receive as a gift 🤑 depending on how many characters you join in the same row. For example, if you manage to unite five characters 🤑 in the same row, you will receive extra points and extra time to continue the level and manage to co llect 🤑 more coins. The game is suitable to be played with your friends because they can also give you hints to 🤑 help you identify the matche s in the game map faster. You will also have fun together and be able to ㊁

7; test your attention together.</p>
