retailers that still carry Xbox 360 games. The online multiplayer aspect might still be functional, enabling players to connect to servers in Plano, Texas. The game is still available on the Xbox Live Marketplace, but it is not possible to purchase it there anymore. The game is still available on the Xbox Live Marketplace, but it is not possible to purchase it there anymore.

What is a Weak Yen?

A weak yen refers to the decreased value of the Japanese yen in comparison with other currencies. This tends to make Japanese goods and services cheaper for foreign buyers, while imports become more expensive for Japan.

Reasons Behind a Weak Yen

The value of the yen is influenced by several elements, such as interest rates, inflation, and economic growth. At present, the yen is weak due to the Bank of Japan maintaining a loose monetary policy, unlike most major economies that are tightening theirs. This gap in interest rates has led to the yen's devaluation.

Effects of a Weak Yen

A weak yen has both positive and negative implications. On the one hand, it reduces the cost of Japanese goods, possibly increasing sales and profits for Japanese firms and benefiting Japanese multinational enterprises. However, an increased cost of imports results in more expensive products and services for Japanese consumers, as well as for businesses, adversely affecting the household sector and contributing to inflationary pressures. It also poses questions on long-term capacity by constraining consumer and corporate spending.

- Benefits: Increased exports and tourist visits.
- Drawbacks: Inflationary pressures and exacerbating the costs for individuals and businesses.

Impact on Tourism

A weak yen has a positive influence on tourism, since it makes the destination more economical for international visitors, who can enjoy a higher purchasing ability in Japan.

Future Expectations and Challenges

Although a weak yen can generate certain benefits in terms of exports and inbound tourists, an over-reliance on the external sector might introduce fur
