However, in September, the club announced it would be closing due to comprehensive redevelopment, meaning the club could not extend or even renew their lease. It's a familiar story for so many clubs and art spaces in the UK.

Mint Club's closing was the send-off it so desperately deserved.

The risk gauge rank for MINT shows the token is currently a high risk investment. Traders focused on risk assessment will find the gauge most useful for avoiding (or adding) Tj T* BT /

hours, leading to its current value of \$0.000004535.
