div & & div & & div & In Super Mario World, Yoshi can eat various items a

nd enemies. He can consume fruits, such as apples, watermelons, and berries, to

gain special abilities. Additionally, Yoshi can eat Koopa Troopas

; Goombas, and other enemies, turning them into Yoshi's eggs, whic

h he can then use as projectiles.

v & & div & & div & & div & As early as the first level, the

he music and enemy design is synchronized such that during specific musical beat

s, all Koopa Troopas pause to do a dance while looking directly at the player

; The dance returns in all New Super Mario Bros. sequels, where other

enemies begin dancing to the music as well.
