One basic strategy is for a contestant to act so as to maximize the expected value of his prize. At each point in the game where the banker makes an offer, the contestant can maximize his expected value by choosing the offer if it is greater than the average value of the unopened cases and declining it when it is less.

En el fútbol, el tiro penal, también conocido simplemente como "penalti", desempeña un papel crucial en el deporte. Este tiro se produce cuando se comete una falta dentro del área de penal, lo que otorga a los jugadores una oportunidad para anotar con un solo jugador y el portero. Esta situación es comúnmente vista al final del tiempo reglamentario o durante la prórroga cuando se necesita un ganador.
