The Spanish brought the game to Mexico in the 18th Century, around 1769

. Initially

played by the elite, La Lotera Mexicana grew in popularity in The

19th and 20th Centuries

thanks to traveling fairs, known

as Loteria Mexicana, and was introduced to the United States in the

19th century. It is a game of chance, where the player bets on a

number between 1 and 75, and the winning number is drawn

randomly. The game is played in many forms, but the most common

is the one where the player bets on a number between 1 and 75, and

the winning number is drawn

randomly. The game is played

in many forms, but the most common is the one where the player
