1 and 2 are intertwined but you can still play 2 without playing 1. Characters from one make appearances but not to much more than that. 3 is a prequel to 1, but again, you don't need to play 1. 4 and 5 take place in completely different universes.

As someone new to the series. Which game to start with? - Gowlanser

If I've never played Call of Duty, where should I start? If you simply wish to gain a feel of what the multiplayer is like, go with Modern Warfare 2. The leap in mechanics and features from MW1 to MW2 was a very large one, and MW2 would be the closest you'd get to what the gaming mechanics of MW3 are like.
