

# O O bet365

[Epilogue](#) is the twelfth and final campaign level in Call of Duty: WWII. Unlike most missions, this mission is only playable after the player completes The Rhine, which automatically cuts to the Epilogue after the level's completion.

[Hill 493](#) is the eighth campaign level in Call of Duty: WWII. It is known for its difficulty mostly because of the instant kill incendiary rounds fired by enemy shotgunners.
