Spider Solitaire can indeed be a challenging game,

but there are strategies that can increase your chances of winning

Here are a few tips to improve your game: Build in descending order

: When possible, try to build in descending order, from King to Ace, to create sequences that can be moved together.

Move cards in

the main stacks before using extra stock cards. Clear aces and 2s to

foundation piles right away to free up space. Free up face-down cards from the

largest stacks first to have access to them. Group like suits in the same stack

so they're easier to play through.
