Welcome to the Pok Evolution - The world created by clicker & amp; for clickers! In this idle evolutionary simulator, you can discover life in a very simple way. Just tap to control the evolving process. Evolution has never been so easy. By combining two same bio-identical monsters, you get a new, more advanced creature, thus passing the path from the simplest monster to the glorious ruler of the planet, and start your way to explore the Milkyway.

There is 3 evolution path that leads to 6 ways to conquer the galaxy introduced in the game that is built according to the origin

of the universe and the elements:

Wild of Nature can become Fairy of Life or Child Earth sharing the very core of the planet.

The Fire of light can evolve to Lighting that travels across the sky or Robots that transcend the life cycle of organic animals.
