Shark io is a multiplayer shark based battle arena game where you take to the waters against other sharks to see who is the true King of the Sea! Choose your weapon from a series of really cool horns and also customise your character to turn into other sea (and some not so sea) creatures! Don't forget to use your speed boosts to get ahead of the competition. Build up your boost bar by collecting the white objects in the water and increase your score by collecting the stars! Can you become the apex predator?

28 Days Later and Return Of The Living Dead have both been cited as the start of the fast zombie genre, but 1980's Nightmare City got there first. Nightmare City is the first real fast zombie movie and came many years before the likes of 28 Days Later.
