Having a plan while trading is very important. Assu

ming you'll be one of the profitable ones, it's likely take

six months to a year trading/practicing every day until you are

consistent enough to pull a regular income from the market. If you make money in

the first couple months it's likely pure luck.

Many people put in multiple years before breaking into consistent (or even any) profitability. It tak

es at least a year to consistently make money from day

trading or swing trading, if working at it full time or with a mentor, and only
