Fire and Water games

Our challenging collection puts you in control of Fireboy and Watergirl . You can move each character at the same time to navigate through tricky levels. All Fire and Water games feature a mysterious temple filled with gems. Flip levers in the forest, press buttons in icy arenas, and activate moving platforms in the light temple. Your fiery friend can only acquire red diamonds, and the liquid lady must grab blue gems. If Fire and Water mix, they will be destroyed! Grab all of the jewels as quickly as possible

All of the Fire and Water games in this collection take platform puzzles to a whole new level. Each temple includes unique features to challenge you at every turn. In the forest, one element must hold down push-buttons while the other element passes. The light temple is filled with special mirrors and detectors. Fire and Water can reflect light in different directions to solve each puzzle. In the crystal temple, you will experiment with special portals. Teleport across each area to gather all of the gems in record time!
