Activision issued a statement explaining what's

going on, while admitting file sizes are larger than last year . This is d

ue to the increased amount of content available day one, including o

pen world Zombies, support for item carry forward from Modern Warfare 2, as well

as map files for current Call of Duty: Warzone.

One o

f the many aspects that caught players' attention was the massive file size

of Modern Warfare 3, surpassing 200GB on consoles and P

C. Regardless of players having to download such a big game, they now find thems

elves grappling with an enormous file size to download.
